TOTAL 3D HOME, LANDSCAPE & DECK PREMIUM SUITE

Landscape & Decks

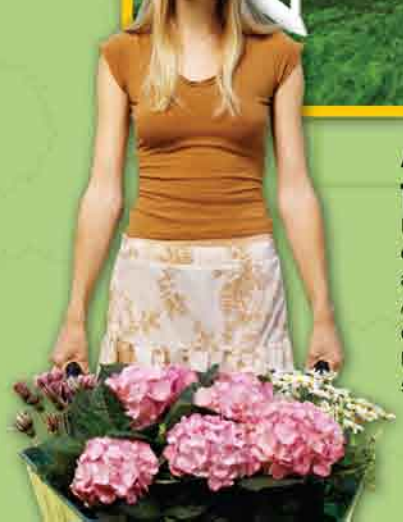
Design the Outdoor Room of Your Dreams

Gardens, Decks, Patios & Pools

Transform Your Outdoor Living Space!

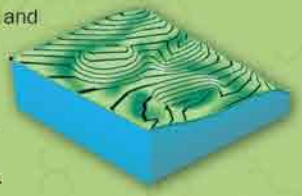
Create beautiful, outdoor living spaces that are the envy of the neighborhood. Design the perfect deck, patio, or pool with **3D Patio & Deck Designer**. Include pathways, gardens, and fences—then add tables, chairs, grills, and other objects.

Visualize how your plants will look in three, five, or ten years.



Advanced Terrain Features

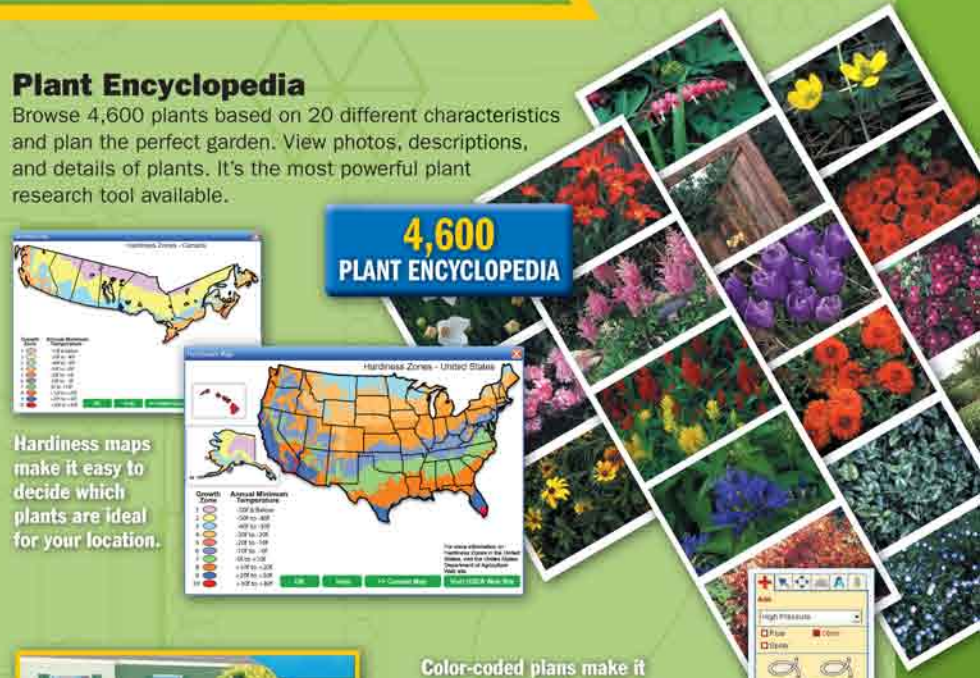
Identify the subtle contours and elevations of your yard with advanced terrain features. Add hills, terraces, and other topography elements. Mold the size, shape, and slope to your specifications.



DESIGN GREEN **Landscape Green!** Create your garden with green guidelines.

Plant Encyclopedia

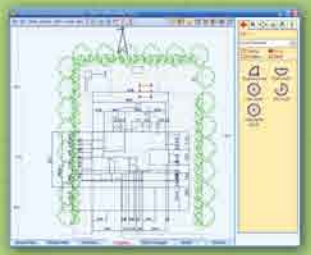
Browse 4,600 plants based on 20 different characteristics and plan the perfect garden. View photos, descriptions, and details of plants. It's the most powerful plant research tool available.



Hardiness maps make it easy to decide which plants are ideal for your location.

View your design from any angle & time of day.

Color-coded plans make it easy to identify different parts of your designs.



Specify type of sprinkler, PVC tubing, spray pattern & more.

Irrigation Systems

Keep your yard looking beautiful by designing a custom irrigation system. Select from a variety of pipes and sprinkler heads that meet your irrigation needs.

TOTAL 3D HOME, LANDSCAPE & DECK PREMIUM SUITE

Kitchens & Baths

Visualize Expensive Projects Before You Start!

KITCHEN & BATH REMODEL

DESIGN GREEN **Plan a Green Kitchen!** Update your kitchen with appliances and strategies to save money and the environment.

Kitchens

Design the Kitchen of Your Dreams!

Designing the perfect kitchen has never been easier. Try new countertops, appliances, fixtures, and cabinetry in seconds and bring your designs to life.

Bathrooms

Visualize Remodels Before You Start!

Get started today! Plan the entire layout of your bathroom cabinets, showers, bathtubs, and fixtures. Just drag-and-drop objects—then view in a realistic 3D rendering.

EXCLUSIVE FEATURE

20,000 Brand-Name Catalog

No other software provides you with all these products from leading manufacturers. Visualize them in your home before you buy!

Includes Brand-Names You Know & Trust

General Electric · Kitchen Aid · Maytag · Whirlpool · Sub Zero · DuPont · Kohler · Jacuzzi · Behr · Dutch Boy · Sherwin Williams · Benjamin Moore · American Standard · Moen · Delta ...& more!

Powerful Features for the Professional in You!

Includes advanced features found previously only in more expensive software.

- ***Electrical & Plumbing Fixtures***
- ***Automatic Trim & Wallpaper***
- ***Drag and Drop Floor Plans***
- ***Square Foot Calculators***
- ***Powerful Dimensioning Tools***
- ***Staircases & Railings***

...and much more!

EXCLUSIVE FEATURE

Change patterns, textures and colors with more realism than any other software.

What is Real-Photo Dynamic Imaging™?

Only ***TOTAL 3D™ Home, Landscape & Deck*** includes advanced photo-rendering, which transforms the look of a room using **real photography,** not crude 3D renderings. No other solution is more powerful for illustrating your designs with realistic results.

TOTAL 3D HOME, LANDSCAPE & DECK PREMIUM SUITE

Home & Landscape

Completely Integrated Home & Landscape

Import Digital Photos

Add Photos Into Your 3D Design!

Import pictures from the Web or your camera directly into your design. See precisely how your favorite furniture, lights, art, and plants will appear.

REAL-PHOTO DYNAMIC IMAGING™

Millions of Design Combinations

Choose unlimited combinations of tiles, flooring, paint, wallpaper, bricks, concrete, shingles, and more—even import your favorite textures.

DESIGN GREEN **Build Green!** Select materials to make your home safe and efficient.

Bring Your Designs to Life

Tour your designs from infinite angles. Seven separate 2D and 3D views show you every detail. Advanced rendering settings let you control the **lighting, shadows,** and **reflections.**

Custom Doors, Windows & Roofs

Choose from over 40 window and door designs. Then modify any dimension, color, or style to fit your design. Choose from Hip, Gable, Gambrel, Flat, Shed, or Mansard roofs. Adjust the angle and pitch for a custom design.

Site Planning & Estimating

Create designs that fulfill your dreams and fit your budget. ***TOTAL 3D™ Home, Landscape & Deck*** automatically tracks estimated and actual costs of materials and labor.
