Typing Instructor™

DELUXE

The Fun & Exciting Way to Improve Your Typing!

Proven Typing Techniques Improve Speed & Accuracy

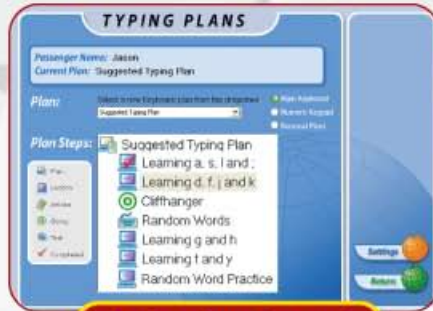

Educates

Typing Instructor Deluxe is an award-winning product unlike any other. It's packed with just the right mixture of education, entertainment, and motivation to quickly improve your typing skills.

Award-Winning Instruction Featuring 20+ Typing Plans

Whether you are a beginner, intermediate, or advanced typist, Typing Instructor Deluxe has been professionally designed to meet your learning needs. Choose from the suggested plan or 20 others. You can even develop your own personal typing plan.

Typing plans that work

Hundreds of Professionally Written Lessons & Test Improve Speed & Accuracy Quickly

Quality Lesson and Test content lets you learn quickly for faster touch typing and improved accuracy. The use of repetitive key-stroking builds correct finger to key memory. Step-by-step Lessons and Tests are dynamically built from learned letters and words to build accurate typing skills.

Proven lessons & tests develop your skills

Unique! You can turn the 3D guide hands off when no longer needed

Progress Reports Quickly Identify Your Strengths & Weaknesses

A variety of graphs and charts show your proficiency over time. View results for each finger, row, key, or hand separately. You can even view your personal results for all typing activities. No similar product maintains your information so completely.

View a variety of saved results & reports

Unique! — Dynamic Learning identifies your weak & strong areas

Practice Tailored Lessons That Improve Weak Areas

Typing Instructor Deluxe evaluates your Typing Results to determine weak typing skill areas using Dynamic Learning. Once identified, you can practice with specific lessons that are created and tailored to improve your weak areas. You'll save hours by focusing on the areas that need the most improvement.

Making It Personal Enhances Learning

Only Typing Instructor Deluxe lets you build your own Typing Plans. These plans can include lessons, tests, articles, and games. You can even add your own music (MP3 & other formats). The lessons and tests can be added from Typing Instructor Deluxe or you can create your own.

Exclusive! Create your own typing material for a more personalized experience
